## Contemporary Romance

### Brides of Bonneterre

*Love is in the air, and it has a Cajun flavor.*

Follow the lives and loves of a southern wedding planner and some of her fun-loving—but meddlesome—cousins in this contemporary romance series. Set in the fictional, quintessential southern city of Bonneterre, Louisiana, the Brides of Bonneterre series is filled with fun, food, family—and lots of romance!. Although each volume deals with serious themes such as forgiveness and fear, the tone is lighthearted and humorous, with plenty of southern charm, wit, and wisdom mixed in.
